EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William, Pieprz on 10/18/2006.

Claims 4-45 have been canceled.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: Claims 1-3 are considered allowable since when reading the claims in light of the specification, none of the references of record alone or in combination disclose or suggest the combination of limitations specified in the independent claims. The prior art of record (EP 1605 654) relates to transmission method for transmitting OFDM-signals comprises the step of modulating the signals onto a plurality of subcarriers using an OFDM-modulation method. The transmission apparatus for transmitting OFDM-signal and a

receiving apparatus for receiving OFDM-signal. The transformed signals are then demodulated in a demodulation means 24. The prior art of record (US Patent # 6,810,006) relates to OFDM signal transmission system comprising a receiver for receiving a modulated OFDM signal and a transmitter of transmitting a modulated OFDM signal. As to claims 1-3, the prior art of record does not teach wherein the identification information of transmission/reception station included in the second received signal and and/or information to perform at least one of tuning or demodulation of the first transmission signal is received, transmission information to perform at least one of tuning or demodulating of the first transmission signal is obtained, at least one of tuning or demodulation of the first received signal is performed at the first demodulation section. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
